

# Flash Worksheet #2

## Create the following movies:

### KEYFRAME ANIMATION (symbols are not needed)

- I. Create a movie that writes your first and last name. (save as fmovie1b)
  
- II. Create a movie that shows a "stick-person" shooting a basketball at a net, and scoring. (save as fmovie2b)

### Shape Tweening

- I. Create a shape tween that makes use of 4 different shapes. Use at least 60 frames. (save as fmovie3b)
  
- II. Create a shape tween that uses some text. Use your first and last name, school and grade. (save as fmovie4b)
