

***Part A - Evaluated***

- Read all seven of the Catholic Graduate Expectations (CGE's)
- [http://www.tcdsb.org/ice/Graduate\\_Expectations.html](http://www.tcdsb.org/ice/Graduate_Expectations.html)
- Think about how many of these expectations that you have achieved thus far.
  - Write a 1 page summary (single spaced) reflecting on two of the expectations you have achieved thus far in your high school career. Then, indicate how you plan to achieve two more expectations before the end of this year.

***Part B – Evaluated***

Now your task will be to create an 8.5 by 11 (inch) poster for the school that will portray/educate/instruct others about one of the seven CGE's. The poster will be printed; therefore the main image and all other images must have a print resolution of 300. The poster may be done in either portrait or landscape layout.

**Specifications:**

- A detailed paper sketch to scale submitted in advance of the computer work (due Monday at the start of class). This will be evaluated.
  - Include one of the CGE's.
  - Attempt to create a theme or situation that would fit with the chosen CGE.
  - All images used must be taken around the school using our (or your) digital camera. (Permission is needed for students to have their picture taken)
  - Images not from the school, must be approved by the Teacher (this is discouraged)
  - Include the school name and Logo. (Use the AI file from the network drive)
  - Your name (company name)
  - Demonstrate your advanced abilities in Photoshop! (Advanced use all selection tools, blending modes, filters, image adjustments, etc.)
