

VIDEO PROJECT COVER ASSIGNMENT

Your task is to create a DVD cover for your group video project. This will be done in Illustrator CS and will be printed in colour upon completion. Please adhere to the following specifications.

- ⌚ An Appropriate Title
- ⌚ All photos used must have a resolution of 300. Embed the images once the cover is complete.
- ⌚ Create outlines of all text, once the cover is complete.
- ⌚ Include symbols that are commonly found on a authentic DVD cover:
 - ⌚ DVD logo
 - ⌚ Dolby Digital
 - ⌚ UPC code
 - ⌚ Running time
 - ⌚ Some sort of legal statement (I may provide this)
 - ⌚ NTSC logo
- ⌚ Cast and Credits - Use proper format and proper credits
- ⌚ Summary of the content of the DVD
- ⌚ Pictures (take your own, or export them from the video footage)
- ⌚ Your own Production or Movie company
- ⌚ Organized layers in Illustrator
- ⌚ THIS IS NOT A GROUP EFFORT. Each member will create their own distinct cover

NOTE: The Starting AI file, complete with guides can be found in my folder in DO'C FOLDERS
